

PLAY HAVEN FARM LLC & GREEN BUILDING PROJECT

NEW CUSTOMER PACKET : 2023

WEBSITE

Keep up-to-date with what is going on at the Farm at: www.PlayHavenFarm.com.

At the top left of the Home page is **Status Report : (date)** which is the date of the most recent changes and a link to the Status Report which will have links to the pages with those changes. I hope I've made it really simple to navigate the site. You won't have to worry about 'pop-up' ads or the like.

While the primary focus of the website has been on this farming adventure, things have ramped back up and I suggest you check out the Project List page about the Green Renovation which is where ' & Green Building Project' comes in to play.

There are also several Blog pages with things that don't quite fit anywhere else or are specifically included because they are things I hope will be helpful for someone besides me. The Blog Directory has links to current entries and the older entries (which are archived to PDF/Adobe Reader files).

The Facebook page is certainly a great way for me to share sudden happenings between website updates. If you use Facebook, please LIKE the page at <https://www.facebook.com/PlayHavenFarm> and share it with your friends. Basically, I use it to let you know when I've updated the website or if anything fun has happened. I also share other people's posts if they are good ideas, inspiring, etc.

DELIVERY IN THE METRO KANSAS CITY AREA

Talk to me about delivering food and/or non-food products to you at a Missouri location in Metro Kansas City at NO*EXTRA*CHARGE when your purchase is \$50.00 or more.

MERCHANDISE (NON-FOOD) PRODUCTS FOR SALE

I currently have non-food items for sale in the Merchandise section and when I get set up in on-line stores, you will find the links there. As an Artist Farmer, there are Limited Edition Prints for sale and examples of my work with information about how to Commission a custom graphite drawing.

There is also beeswax and raw propolis for sale (info on the Honey page of the website).

This is also where you can download the archived website pages (PDF/Adobe Reader) files for a free-will donation via Paypal. Your support of this little, sustainable farm is greatly appreciated!

FOOD PRODUCTS FOR SALE

Make an appointment to come to the farm to purchase your products OR talk to me about delivering it to you at NO EXTRA CHARGE when you purchase \$50.00 (or more) worth of products. I can only sell/deliver in the Missouri part of Metropolitan Kansas City, so if you live in Kansas... we'll have to discuss finding a place in Missouri for that. I DO NOT SHIP FOOD PRODUCTS.

When you schedule your visit, it will help if you know what you want so I can be ready for you. I accept checks or cash. We are fully vaccinated AND continue to wear our masks in public, social distance, hand sanitize, etc. so we do not spread disease. ***I continue to offer curbside service for anyone that requests it.*** I reserve the right to limit quantities per order.

FRUIT, HERBS, VEGETABLES, PLANTS

Since produce from plants is seasonal, the best way to purchase from me is to tell me what you are interested in and I WILL CONTACT YOU ahead of the harvest. You can then let me know how much you are thinking about getting so I can reserve a portion for you. I DO NOT SHIP FRUIT OR PLANTS. You are welcome to help harvest (i.e. pick your own) and get a discount because you are doing work I won't have to do. **Check to see if I have frozen berries/fruit after the season. I often do.**

IN CONCLUSION

If you have any questions and certainly if you have orders (LOL), I am as close as your email and your telephone (voice or text).

I deeply appreciate the blessings I receive – among which is the opportunity to live on this glorious place we call Earth, surrounded by and dependent upon the miracle that is nature – and I appreciate your support and friendship.
